

My Favourite Walking Places

A COLLECTION OF PLACES THAT FEED MY SOUL AND REFRESH MY SPIRIT

The best walks aren't just about the distance we cover, but the places that stay with us long after we've come home.

 **What makes a place your favourite?**

 **How do these places make you feel?**

 **A moment I want to remember from one of my walks...**

Collect places, not things.
Collect memories, not miles.
Collect moments that matter.

SOMETIMES THE MOST BEAUTIFUL PLACES ARE THE ONES THAT REMAIN CLOSE TO OUR HEART.
