YOU'LL NEED

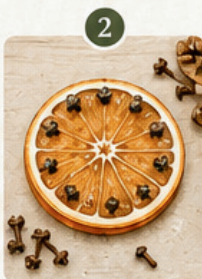

- ♥ Dried orange slices (see blog post for how to dry)
- ♥ Whole cloves
- ♥ Ribbon, twine or string
- ♥ Large needle (optional)
- ♥ Scissors

STEP-BY-STEP INSTRUCTIONS

1
Make sure your dried orange slices are completely dry. This helps them last longer.

2
Press whole cloves into the orange flesh to create your chosen pattern or design.

3
Thread ribbon, twine or string through the top of the orange slice. Use a needle if needed.

4
Tie a secure knot or bow at the top. Trim the ribbon to your preferred length.

5
Hang on your Christmas tree, wreath, garland or use to decorate your home.
