TIPS & NOTES

- ♥ Use clementines for smaller pomanders – perfect for little hands.
- ♥ Younger children may need help pushing cloves in safely.
- ♥ Pomanders dry out over time and can last for many weeks in a cool, dry place.
- ♥ Refresh the scent by gently warming them with your hands.

A LOVELY TRADITION

Making pomanders is a beautiful way to slow down, be present and create memories together.
A simple craft, loved for generations.
