A Little Mid-September Pause

A few quiet questions for this season of life

*Not everything
ripens at
the same time.*

WHAT IS BEGINNING
TO FEEL FAMILIAR AGAIN?

WHAT HASN'T QUITE
FOUND ITS PLACE YET?

In this season, I can be both a work in progress and enough.

WHAT AM I ENJOYING
ABOUT LIFE RIGHT NOW?

WHAT CAN I ALLOW
TO TAKE A LITTLE LONGER?

*A slower season
still holds so much beauty.*
