

WHO DO I WANT TO STAY CLOSE TO?

*Not an audit of your relationships.
Simply a moment to notice the people who matter.*

*Good
people make
life brighter.*

PEOPLE I'M GRATEFUL TO HAVE IN MY LIFE

The people who bring so much to my days...

SOMEONE I'VE BEEN MISSING

*A person or people I'd love to spend
more time with...*

THE PEOPLE I FEEL MOST MYSELF WITH

The people who know the real me...

PEOPLE WHO BRING SOMETHING GOOD TO MY ORDINARY DAYS

*The people who make life lighter,
brighter or simply easier...*

RELATIONSHIPS I'D LIKE TO TEND

*Connections I want to nurture
a little more...*

ONE SMALL WAY I COULD REACH OUT...

A message, a phone call, a coffee, a walk or something else...

Closeness doesn't have to mean constant contact.
